Sub: Invitation letter to attend Indo-US bilateral Workshop on "Intraplate Seismicity" during 16-18 January, 2012 at Institute of Seismological Research, Gandhinagar, Gujarat, India.

Dear Prof Bilham,

We would like to express our sincere appreciation for your kind cooperation and contribution to the Indo-US bilateral Workshop on "Intraplate Seismicity" to be held at Institute of Seismological Research, Gandhinagar, Gujarat, India during 16-18 January, 2012.

I cordially invite you to present your valuable research work and convene the session "**Faulting and Seismicity in Continental Intraplate Regions**" in this workshop. The workshop has been supported by Indo-US Science and Technology Forum (IUSSTF) and the travel costs will be borne by IUSSTF. Local hospitality will be provided to you by us against the Award support of IUSSTF.

We are looking forward to meet you in Gandhinagar and truly hope that you will have a scientific and cultural experience as well as an enjoyable visit.

With warm regards,

(B. K. Rastogi)
