ATOFMS-AMS update (the suicidal battle)

Manuel Dall’Osto and Colin O’Dowd
(and tons of other people)

10 years: the AMS and ATOFMS battle

Q/Q expected
m/z 58 dominates, with m/z 43 and aromatic (55,69,91,105)
43, 44, 57 and I believe 29 is VERY important
It is Halloween, let’s scare you
