

ERRATA

Cotton, W.R. and R.A. Pielke, 2007: [Human impacts on weather and climate](#), Cambridge University Press, 330 pp.

1. On page 234 there needs to be a plus sign (+) between the last two terms in equation (11-3).
2. On page 243 the bold face was left off of the last two words in the E.1 header.
