

Logistical issues

- Introductions of new attendees?
- Today is the last meeting!
- Please copy presentations to laptop
 - Will post, let us know whether password-protection is required (very easy to do either way)
- Measurements end 12:01 AM on Friday 27-March (midnight from Thu to Fri)
- Ongoing data compilation (later)
 - Discuss “master plots” and web table
 - Gases and meteorology for both sites
- Web site for campaign photos
 - Email pete.decarlo@gmail.com
 - OR put them in “Pictures/To_Post” folder in SFTP site
- Any other items for discussion right now?
 - More discussion at the end

Order of presentations

(same as last time, ok to suggest changes)

- Introduction and logistics (this one)
- CSIC
- PSI
- CIEMAT
- Colorado
- Innsbruck
- *TV3 discussion*
- CREAM
- UPC
- BSC
- Sanna on comparisons & summary plots
- Jose: items for discussion (papers, meetings, etc)
- General discussion as needed
