

Curriculum Vitae

Jialei ZHU

School of Atmospheric Sciences, Nanjing University

22 Hankou Road, Nanjing, 210093, China

Phone: 86-1585-073-5252

Email: njuzhu1@hotmail.com

Education

Sept 2007~Present School of Atmospheric Sciences, Nanjing University, China.

Research Interest

Atmospheric Chemistry, Climate Change, Atmospheric environment model

Awards and Honors

- 2007 New Students' Scholarship, Nanjing University
- 2007 Flat Group Scholarship, Flat Group
- 2008 National Scholarship, Education Ministry of P.R.China
- 2009 People Scholarship, Education Ministry of P.R.China
- 2010 People Scholarship, Education Ministry of P.R.China
- 2010 Excellent Paper Award in the 3rd Chinese University Students' Creativity Forum
- 2010 Excellent National Undergraduate Innovation Program

Research Experience

June 2009~Apr 2010 Project Leader Advisor: Prof. Tijian WANG Nanjing University
'The mechanism of haze caused by biomass burning in Jiangsu Province during summer and fall'
Funded by National Undergraduate Student Innovative Training Project

Jan 2011~Present Partner Advisor: Prof. Tijian WANG Nanjing University
Prof. Robert Talbot University of Houston

Observation Variance of Urban Atmospheric Composition in Nanjing

Cooperated with University of New Hampshire

Conference Experience

Sept 25th ~27th 2010 Presenter

The 3rd Chinese University Students' Creativity Forum

Topic: 'The characteristic and mechanism of a serious haze incident in Jiangsu Province'

Nov 9th ~10th 2009 Partner

The 2nd International Workshop on Regional Air Quality Management in Rapidly Developing Economic Regions

Oct 21st ~24th 2009 Partner

The 16th Chinese Academic Conference on Atmospheric Sciences and Technology

Publication

'The characteristic and mechanism of a serious haze incident in Jiangsu Province' (submitted)

First Editor Chinese Environmental Science
